Rad Re-Location Kits All ATV Rad Kits priced as follows. Everyone hates to be that guy on the ride, you know, "THAT GUY" that's overheating and always looking for a clean puddle, or a farmer with a garden hose to borrow to TRY and remedy a MUD PACKED radiator. The solution is simple, MOVE THAT RAD UP and out of the MUD and stop being "THAT GUY" that is constantly overheating and slowing down ...

if i were you, i would buy an arctic cat. I have a 2007 650h1, and while its not the fastest atv speed wise, itll outpull, and out-do any other machine out there. the H1 engine is arctic cats OWN engine, made IN HOUSE in the USA, in MN at their hq. it comes stock with the 3.6 gears, and their belt-drive system is the same out of their sleds so its very reliable.

1- Why was this new belt not included in the previous bulletin? The warranty bulletin Ski-Doo 2018-10 (Lynx 2018-1008) Drive Belt Durability did not involve belt replacement because the main issues to be addressed on the units to ensure belt durability are stiffer engine mounts, as well as new clutch calibration parts.
