Porsche buyer's guide. Composing a general buyer's guide for a Porsche seems to be a rather impossible task. On one hand the model range of Porsche has never been too wide (at least it wasn't before the Cayenne), but on other hand there are more than 600 different modifications and Porsche keeps adding something new every year.

The original Porsche 911 (pronounced nine eleven, German: Neunelfer) was a luxury sports car made by Porsche AG of Stuttgart, Germany. The famous, distinctive, and durable design was introduced in autumn 1963 and built through 1989. It was succeeded by a modified version, internally referred to as Porsche 964 but still sold as Porsche 911, as are current models.
