Setting in Fantasy fiction is complicated business. At the smallest fictive scale, it's the background or backdrop to a single scene. At the grandest scale, it's not just an entire world including its deep history, it's also the cosmology of the universe being invented (one where, say, magic works). Can't get much bigger than that.

Hi Tal ! Interesting article, but I think you misunderstand what people are trying to accomplish by telling you to "check your privilege." When this phrase comes up, people aren't judging you, telling you that you're entire lineage has been privileged for generations, but that your skin color and sex genuinely make a difference in the opportunities you will have in this country today.
